Support for employers to build confidence to take on employees; support for regions doing it tough; and support for job seekers to build confidence, upskill and retrain for jobs in a more agile Queensland economy.

backtowork.initiatives.qld.gov.au

I want to understand my Intellectual Property (IP)

Intellectual Property Info Kit

Online tools to help SMEs understand Australia's IP system and how to identify, protect and commercialise IP.

www.business.qld.gov.au/running-business/protecting-business/ip-kit

Intellectual Property

Intellectual property (IP) represents creations of the mind or intellect that can be legally owned. IP laws allow for protection through patents, trade marks, copyright, designs, circuit layouts, and plant breeder's rights. Almost every business has some form of IP that they need to protect.

www.business.gov.au/intellectualproperty

I want to export

Efic

As Australia's export credit agency, Efic operates on a commercial basis and partners with banks to provide financial solutions for Australian companies: exporting; in an export supply chain; looking to expand their business operations overseas to better service their clients; and/or operating in emerging and frontier markets.

www.efic.gov.au

Regional Trade Adviser Network

A network of trade advisers to support regional and rural businesses on their export journey.

www.tiq.qld.gov.au/connect/who-we-are/regional-advisers

Trade & Investment Queensland (TIQ)

Online resource including information on consultation and planning services offered to first time and existing exporters.

www.tiq.qld.gov.au/export/how-we-help-exporters/consultation-planning

I want to market my services or sell to government
