

## Food & Agribusiness

- Meat exports
- Manufactured foods
- Functional foods
- Bio-processing
- Innovative packaging

## Resources Technologies

- Mining exploration equipment and technologies
- Operations and maintenance equipment and technologies

## Medical Technologies

- Human bionics
- Bio-pharmas
- Pharmaceuticals

## Digital Technologies

- Spatial informatics and big data
- Gaming
- Mining software

## Transport & Logistics

- Freight optimisation technologies
- Sustainable rail infrastructure
- Sustainable road infrastructure

## Aviation & Aerospace

- Avionics manufactures
- Airport infrastructure
- Defence

## Environmental Goods & Services

- Sustainable building products
- Sustainable environmental products and technologies
